Certificate of Analysis

Product Name:	β-Nicotinamide Mononucleotide CAS number: 1094-61-7		
Batch No.:	NM20200820	MFQ Date:	2020-08-20
Quantity:	200Gm	Expiry Date:	2022-08-19

Items	Specifications	Results
Description	White to pale yellow crystalline powder	Complies
Purity(HPLC)	≥98%	99.50%
Loss on drying	NMT 6%	0.65%
Appearance of solution	Colorless to pale yellow and clear	Conforms
Odor & taste	Characteristic	Conforms
Heavy Metals	Not more than 10ppm	Conforms
Arsenic (As)	Not more than 1ppm	Conforms
Mercury (Hg)	Not more than 0.5ppm	Conforms
E. Coli	Negative	Conforms
Staphylococcus Aureus	Negative	Negative
Yeast & Mold	≤100cfu/g	Conforms
Salmonella	Negative	Negative

Storage: Store in Dry and Ventilated place with the Room Temperature, Preserved in Original Tight-Closed containers, Keep Away from Light and Heating.

Analysis Date: 2020-08-21

Approver: Cheng Yuan

Tester: LinXin
