

## CERTIFICATE OF ANALYSIS

PRODUCT ARGIRELINE® peptide solution C  
CODE P06-PD010  
BATCH F392/22

### ANALYTICAL BULLETIN

| TEST                         | SPECIFICATION                                   | RESULT  | METHOD       |
|------------------------------|-------------------------------------------------|---------|--------------|
| Physical appearance          | Translucent solution                            | Correct | CC-10-01-B6  |
| Colour                       | Colourless                                      | Correct | CC-10-01-B6  |
| Specific gravity             | -                                               | -       |              |
| pH                           | 3.0-6.0                                         | 4.8     | CC-10-01-B1  |
| Viscosity (cPs) <sup>1</sup> | -                                               | -       |              |
| Particle size (mm)           | -                                               | -       |              |
| Refractive index             | -                                               | -       |              |
| Dry residue (%)              | -                                               | -       |              |
| Identification (HPLC)        | Similar retention time as in house ref.standard | Correct | CC-10-01-B19 |

### MICROBIAL TEST

|                               |            |         |              |
|-------------------------------|------------|---------|--------------|
| Total aerobic microbial count | <100 cfu/g | Correct | MI-10-01-D09 |
| Total yeast and mould count   | <10 cfu/g  | Correct | MI-10-01-D09 |
| <i>Escherichia coli</i>       | Absence/g  | Correct | MI-10-01-D09 |
| <i>Pseudomonas aeruginosa</i> | Absence/g  | Correct | MI-10-01-D09 |
| <i>Staphylococcus aureus</i>  | Absence/g  | Correct | MI-10-01-D09 |
| <i>Candida albicans</i>       | Absence/g  | Correct | MI-10-01-D09 |

Manufacturing date: 06/22  
Retest date: 06/24
