

## CERTIFICATE OF ANALYSIS

**Product:** Basis beeler cum conservativa  
Beelerbasis met bewaarmiddelen  
Base de beeler avec agents conservateurs

**Analytical reference:** Monograph Pannoc

**Lot number:** 25G04

**Expiry date:** 07/2028

**Fiche number:** 250334

**Production date:** 04/07/2025

DISTRIBUIDO POR  
METAPHARMACEUTICAL  
INDUSTRIAL SLU

11 JUL 2025

| ANALYSIS                                                                                                                                        | SPECIFICATION                                                                                        | RESULT                                                               | UNIT                       | STATUS |
