

BUYER'S USE OF PRODUCTS - PRODUCT SPECIFIC

TCI Europe's products are intended primarily for laboratory use and, unless otherwise indicated on TCI Europe's invoice, other writings, or on product labels, are not to be used for other purposes, including, but not limited to, human or animal use, or a component in, a food, drug, or medical device (including in vitro diagnostic reagents) or cosmetics nor as a pesticide. Buyer acknowledges that the products purchased hereunder have not been tested by TCI Europe for safety and efficacy in a food, drug, cosmetic or pesticide unless otherwise stated by TCI Europe in writing furnished to Buyer. Buyer expressly represents and warrants to TCI Europe that Buyer will properly test, use, manufacture and market any products purchased from TCI Europe and any final articles made from them in accordance with the practices of a reasonable person who is an expert in the field and in strict compliance with all applicable food, drug, device, and cosmetic and other relevant laws and regulations, now and hereinafter enacted. Buyer further warrants to TCI Europe that any final articles manufactured from TCI Europe's products shall not be adulterated or misbranded.

Buyer acknowledges that TCI Europe's products are intended primarily for laboratory use.

Buyer has the responsibility to verify the hazards and to conduct any further research necessary to learn the hazards involved in using products purchased from TCI Europe. Buyer also has the duty to warn Buyer's customers and any auxiliary personnel (such as freight handlers, etc.) of any risks involved in using or handling the products.

Buyer agrees to comply with instructions, if any, furnished by TCI Europe relating to the use of the products and not misuse the products in any manner. If the products purchased from TCI Europe are to be repackaged, relabeled, or used as starting material or components of other products, Buyer will verify TCI Europe's assay of the products.
