
Material Safety Data Sheet of Thermopsis lanceolata Extract Powder

Section 1. Product Identification

Product Name: Thermopsis lanceolata Extract Powder

Supplier: Wuxi Cima Science Co.,Ltd

Address: No.100 Jinxi Road 214125 Wuxi Jiangsu China

Tel:0086-510-85188225

Fax:0086-510-85185685

Section 2. Information on Ingredients

Cytisine is considered to be the active component in Thermopsis lanceolata Extract Powder.

Active Ingredients: 100% Thermopsis lanceolata Seed

Section 3. Hazards Identification

No data available yet

Section 4. Emergency Treatment

Washed by soap water or clear water if it comes into contacting with skin.

Washed by clear water if it contacting with eyes. Sent to hospital if having excessive intake by mistake.

Section 5. Fire fighting Measures

Material Safety Data Sheet of Thermopsis lanceolata Extract Powder

Extinguishing Media :Water Spray, Carbon Dioxide, Dry Chemical Powder or other appropriate form.

Section 6. Protect Measures

Wearing protective clothes and safety gloves when operating.

Section 7. Accidental Release Measures

Wear protective equipment.

Put into in a dry, clear and covered container when leaking.

Stored in cool, ventilated place. Keep far away from kindled material, heat source and direct light. Keep the container airtight. Should be separately stored from oxidant and edible chemical compound.

Section 9. Physical and Chemical Properties

Appearance and Odor: Light yellow or white crystalline powder with the Characteristic of odor and taste of Thermopsis lanceolata Seed

Section 10.Stability and Reactivity

Stability: stable

Conditions to avoid: Keep away from direct light.

Section 11. Toxicological information

No any chronic effects being found so far.

Section 12. Ecological information

Material Safety Data Sheet of Thermopsis lanceolata Extract Powder

No Data available yet.

Section 13. Regulatory information

No data available

Section 14: Other Information

Thermopsis lanceolata Extract Powder has been proved no offensive smell, no infective danger or any other danger when transported.

It is conform to CLP.

Manufactured by Yangling Haotian Bio-technology

Commericalized by Wuxi Cima Science Co., Ltd.
